

April 2023 Newsletter

20 YEARS

THIS APRIL

Support Abused and Neglected Children

Donate the dollar amount of the day(s) you choose to provide CASA volunteers for abused and neglected children in your community.

Donate at 4casa.org, on Facebook, or by mail.

We are excited to bring you fresh ideas on how we plan to serve the children of our community together this season. Please continue to keep up with what's new with CASA on our Facebook page and website.

Volunteer Updates

We have gained another certified volunteer since our last update. She and at least one other volunteer will soon begin their advocacy journey on new cases.

THANK A VOLUNTEER!

April is child abuse awareness month, please do your part in making sure the community knows how to help the children who need us the most. This month, and EVERY MONTH.

We are recruiting Board Members!

Do you have experience with finance, fundraising, or nonprofit management? Give us a call or visit 4casa.org for more information.

OFFICE NEWS

We are so excited to welcome Jaimie Needham into the CASA family as our new Executive Director! She started with our program at the beginning of April and has so far been an amazing asset to our program. Jaimie has an extensive and impressive background in the non-profit world and thrives on being in the position to help others. You can read more about Jaimie's life in the non-profit world on 4casa.org. We are very fortunate to have her helping the children in our district!

Please feel free to reach out with any community events that CASA could be a positive presence at.
